

Following Brexit, Ireland remains the only English-speaking common law jurisdiction in the EU. Ireland's laws and courts are the prime alternative for U.S. companies doing business in the EU. [Ireland for Law](#) in conjunction with the New York State Bar Association's [International Section](#) is hosting a series of four free and interactive online webinars which will cover Data Privacy, International Arbitration, the Aviation Sector and Financial Services. Each session runs for 1 hour and 15 Minutes from 9AM EST/2pm GMT. Further details will follow shortly.
